We're taking on a challenge to support people living with cancer

We're raising funds for cancer support charity Look Good Feel Better who run free workshops in the UK, led by expert volunteers from the beauty and wellbeing industry, which give practical advice and support to people living with cancer.

Every workshop offers an invaluable opportunity to talk to others in a similar situation, whilst helping support people with their changing appearance.

People leave their workshops feeling empowered, motivated and less isolated – allowing them to look good, but feel even better.
