

## Workshop Closing – Script

Thank you so much for joining us today! We hope you've enjoyed exploring your products, learning new tips, and discovering ways to feel confident and empowered.

Before you leave, here are a few things to keep in mind:

- **Take a selfie!** It's a great way to remember your look today and refer back to when you need a little boost.
- **Collect all your belongings** – gift bags, jackets, and personal items.
- If you have any **questions**, feel free to ask us now, or contact Look Good Feel Better Head Office later.

We'd also love for you to **spread the word**. If you know other people living with cancer, please **signpost them to our services**.

Our workshops are just one of the ways we can help, and we'd love to see you at our other sessions too.

For those interested, we run:

- **Skincare & Makeup Workshops**
- **HeadWrappers Workshops**
- **Hand & Nail Care Workshops**

- **Hair Loss, Scalp Care & New Growth Workshops**
- **Headwear, Wigs, Brows & Lashes Workshops**
- **Styling for Confidence**
- **Young Adult Workshops**
- **Men's Workshops**

You can **book your next session by phone, email, or via our website.**

After each workshop, you'll also receive a **short online survey** – please take a few minutes to complete it so we can continue improving our sessions.

Finally, as mentioned at the beginning, **we rely heavily on donations** to continue our work:

We have a selection of products available for a small donation.

There's absolutely no pressure, but any contribution helps us pay it forward for the next person attending a workshop.

- **we accept cash donations**
- **donate via QR code**
- **tap to pay**
- **through the link in the follow-up email**

Whatever is easiest for you.

**Thank you to our wonderful volunteers, our hospital staff, observers, and any VIP guests** present today. We couldn't do this without all of you!

Thank you again for being part of today's workshop, and we wish you all the very best moving forward.
